

Overview

Objectives

We will improve the education of vulnerable children by:

- Offering a high quality programme of CPD for all our CPD partners
- Empowering leaders to be change agents in their own settings
- Developing trauma informed practice in settings
- Ensuring training is supported by research

Our CPD partners

- Schools and colleges
- Nurseries / PVI's
- Cognus educational services
- Social care
- Families (foster carers, SGO, adoptive parents etc)
