Dear

I hope this finds you well and the first few weeks of the summer term have gone well. I hope if you do have any school trips or residential planned during the remainder of this term, they will now be able to go ahead with the lifting of restrictions announced this week.

VISITS

As outlined at SPHG, **Jamie Hassan** /I would like to carry out an informal visit on ----- We will arrive at 9.30am and will last approximately two and half to three hours. The visit is designed for us to get an understanding of where you are as a school because of the challenges of the past fifteen months and how we can support you during the academic year ahead.

Jamie and I will contact you, the day before our visit to receive an update on your current Covid procedures and to confirm that the visit is going ahead. We will then complete a risk assessment to incorporate your procedures prior to our visit. We will also carry out a Lateral Flow Test prior to any visits taking place before Monday 21st June 2021.

If any of you have a problem with the dates given, please contact Chloe Morris who will arrange another convenient date and time for the meeting to take place.

OFSTED

Please find attached the Ofsted slides that were recently presented at the SELL (Strategic Education Leads London). I hope they provide you with some useful information on the proposed visits for the summer term. Further updates will be provided regarding the autumn term and the training we are going to be offering, in the next few weeks. We will be providing training through TT Education on the revised 2019 framework for all school at the beginning of the autumn term. There will be three days bespoke Ofsted support, provided by Jamie Hassan for all those schools, who may be likely to get an Ofsted next academic year. Jamie will be in touch to arrange this.

Please remember if you feel there is anything, we can support with do not hesitate to get in touch.
