

Speech and Language Therapy Pack – Vocabulary

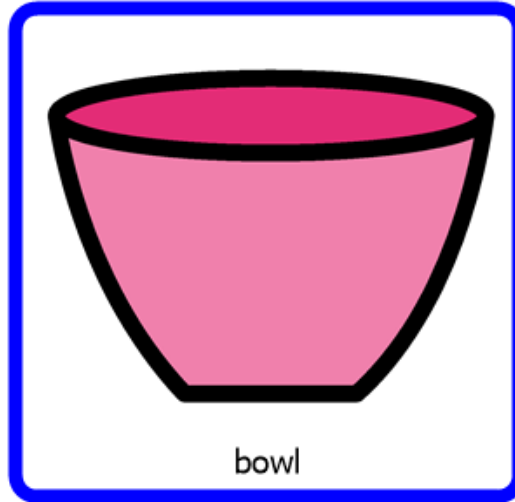

Vocabulary Task – Inside the House

Task Steps:

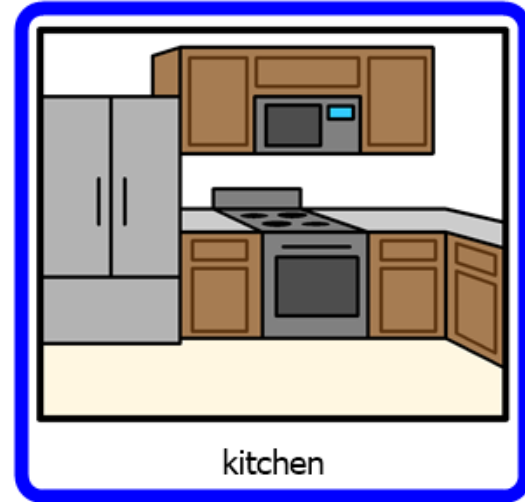

1. Look at the vocabulary words and go through each vocabulary word individually. Write the word down and ask the child to identify what sound is at the beginning, middle and end. Then tell the child what the object is used for.
2. Try and find these items in your house (play going on a treasure hunt) to help the child see the objects in real life

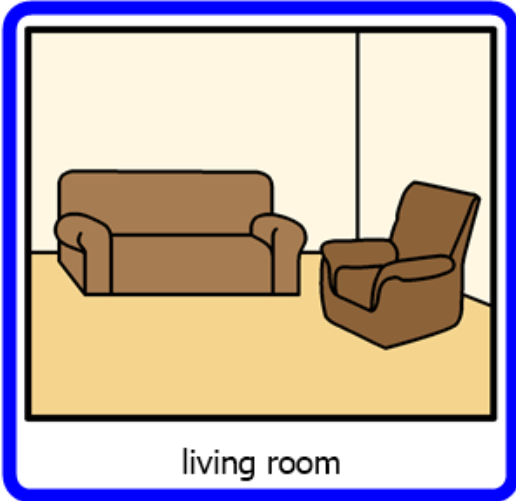

bin
