

## Speech and Language Therapy Pack – Vocabulary

### Vocabulary Task – Pets

#### Task Steps:

1. Look at the vocabulary words (pets)
2. Go through each vocabulary word
3. Sort these pets into pets the child likes and pets they do not like
4. Google real life versions of these animals and ask the child to match them to the vocabulary card

cat

dog

rabbit

fish

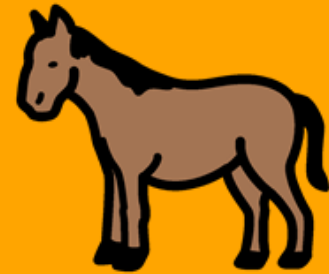

hamster

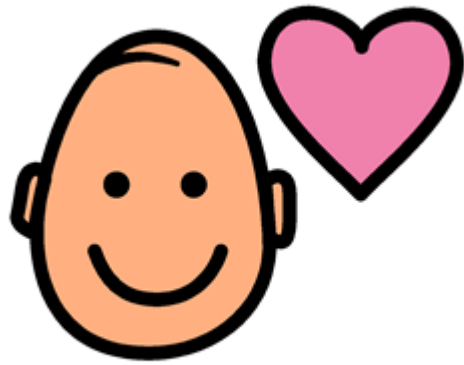

snake

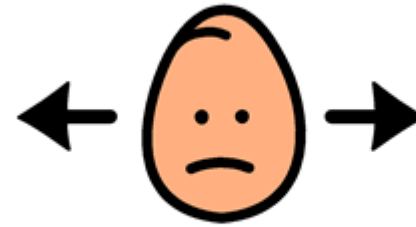

bird

horse

like

don't like
