

BROTHERS FOREVER

By Claudia Boldt

Lee and Barnaby are brothers. Some days they get on, some days they don't.

Check in with your child and talk about their day and what they did with you, their siblings or friends.

Have a dance party

Turn the music on and get your little ones moving with the game musical statues. When you start the music start dancing, when you stop the music freeze. This is brilliant for their listening skills and is a great way to have fun and feel good together.

Have fun painting outside

It's fun to use water and a paintbrush on paving stones outside. You could also recycle some plastic bottles, fill with water and then use to spray and squirt some patterns on the ground or a wall.

Making up nursery rhymes

Why not make up a little rhyme next time you do a fun activity together like baking? Making up rhymes like this one helps your child learn new words.

Bake a cake

Bake a cake, bake a cake, let's begin,
We need a spoon and a baking tin.
We need to mix eggs, sugar and flour,
And put it in the oven for half an hour.
