

CHOOSE LLAMAS

by Charlie Green and Matt Hunt

Look at the pages and help your child make choices.

Which llama would they like as their superhero friend?
Which llama would they like to go to space with? This book is a great way to include more talking time with your child and learn about making decisions.

Every llama has a name

Is there a llama with the same name as your child's or someone you know? Can your child find a llama who has the same letter sound at the beginning of their name?

Llama Facts

Learn interesting facts about llamas from the pages at the back of the book.

- Llamas are related to camels, but they don't have the hump!
- Llamas' stomachs have three compartments.
- Mother llamas hum to their babies.

Do you know what sound a llama makes? Listen to the clip.

Build Your Own Llama Squad

Ask your child to choose their favourite page from the book.

Can they draw and name their own llama to join the story?

Or make a Llama using a cardboard tube, glue and card from a cereal box.

Sing, sign and dance to
Llama Song

I la, la, I love a llama,
black or white, big or small.
I la, la, I love a llama,
grey or brown, short or tall.
I la, la, I love a llama,
strong and fast, they're so cool.
I la, la, I love a llama,
I love llamas, love them all.
