Volunteering Opportunities

(Families and under 18's)

What is volunteering?

Volunteering is described as an unpaid activity where someone gives their time to help a not-for-profit, charitable or public sector organisation or group, or to help an individual who they are not related to.

Where can I volunteer?

Depending on the volunteer role, you might be able to offer support from the comfort of your own home or at specific location in Sutton. This might include travelling to a school, hospital, library, museums, office or spending time outdoors in your local park.

What will I be doing?

From planting flowers, supporting youth groups, to sorting food donations, volunteers are an integral part of Sutton's community. Whatever your interest, and whether you have just a couple of hours to spare or you want to make a regular commitment, we can help you find your perfect volunteer role.
