sometimes humour can help with worries!

**we could set up a group for people who have worries or strong feelings
about what is happening in Ukraine, so that they have people to talk to and know
that
they are not alone or the only ones with those feelings**

sometimes you need to talk
about your feelings. Like a bottle
of fizzy drink, when you shake up
all your feelings, it explodes. You
won't explode but you might feel
mad or upset or feel unlike
yourself!

What can you
do to help with
worries?

Have a cake sale, the cakes could be decorated in blue and yellow. We can raise money for the Ukrainian hospitals

How can you support people?

Get a penpal from Ukraine

Talk to them

We need to be kind to each other
