**February 2022**

**Dear all,**

Thank you to all of you for supporting the services we have provided and in shaping how we deliver to the children, young people and families we support in the most effective way possible. We know how hard things have been and genuinely recognise and appreciate the incredible efforts everyone has made to continue delivering services to families on a daily basis whilst facilitating access for the Cognus teams.

As we continue to move through the recovery stages, we hope that this offer finds you all well and healthy and that you are about to enjoy a well-earned half-term break.

There are increasing costs which we need to cover in the future, but we do want to give you as much time as possible to consider any rise. We will continue to generate revenue from outside of the borough which goes towards maintaining services and keeping prices as low as possible for our Sutton partners. To be as fair as possible, we are taking the following approach:

- 1) Any order received up to the 31<sup>st</sup> March 2023 will be priced using the existing prices in the attached brochure(s);
- 2) Any order received on or after the 1<sup>st</sup> April 2023 will be at new prices to those in this brochure (at time of writing, it is anticipated this will be a 3% increase to current prices);
- 3) As agreed with the Cognus Board, schools that were previous shareholders will continue to receive a 5% discount on all orders for three years from April 1<sup>st</sup> 2021 (as in previous years, we do not apply discounts to the Music Service, as their prices are already subsidised by Arts Council England and the Department for Education)
- 4) For all those wanting to discuss orders for 2022/23 and beyond, please contact any of your Cognus links or the Business Support team on 020 8323 0450 or via a [orders@cognus.org.uk](mailto:orders@cognus.org.uk), who will liaise with the relevant services and arrange a mutually convenient time for a meeting;
- 5) We continue to work with London Borough of Sutton Commissioners and any benefits to schools that result from this will be passed on as early as possible.

If there is anything that you do not see in the brochure that you would like to have available to you/your school or setting, please let us know and we will discuss what can be achieved at the best possible price.

We look forward to working with you in the future and if you have any questions, please do not hesitate to get into contact with any of the Cognus team.

Yours sincerely,

**Bob Harrison**
